

Travel Information

As we start to be able to travel again, this may be useful to some of our students & their families:

Passenger Assist is the service for disabled and older passengers. When you contact the train company you're starting your journey with they can:

- *arrange assistance
- *help you on and off trains
- *reserve wheelchair spaces and seats
- *provide you with detailed rail information
- *assist with any animals or pets you have with you.

This service is available to anyone with a learning disability or physical disability, as well as mental health difficulties, such as anxiety.

Contact National Rail to be connected to the correct rail line: 0800 0223720

Rail services support Sunflower Lanyards too- more info can be found here:
<https://hiddendisabilitiesstore.com/shop/sunflower-lanyards.html>

You can also print the below insert for your lanyard to show that your child/young person is exempt from wearing a face covering, where applicable.
